BASIS INDEPENDENT™ FREMONT

Referral Program

Thank you for helping to build the BASIS Independent community. As a token of our appreciation, your family will receive a $1,000 tuition credit for each new family referred to and attending BASIS Independent Fremont. The new family will also receive a $1,000 tuition credit. This opportunity applies to referrals for the 2017-18 school year and there is no limit to the number of credits your family may earn.

BASIS Independent Fremont families are also invited to participate in the referral programs for our sister schools. For referred families applying to BASIS Independent Silicon Valley for the 2017-18 school year, the referring family will receive a $500 tuition credit and the new family will receive a $200 tuition credit.*

In order to be eligible as a referring family, you must be currently enrolled at BASIS Independent (or apply before the new family) *and* the new family must name your family on their child's application for admission.

** Please visit each school's website for the terms of the applicable referral program.*
